

E-Learning Program June-July 2020

ELP-01

Speech Date: 27th June 2020

Speech on: "RE-Focussing Brachytherapy Physics in Radiation Oncology"

Mr. V. Poopathi

**Chief Medical Physicist & Radiation
Safety Officer**

Education

- B Sc (Phy), University of Madras, India
- M Sc (Phy), Annamalai University, Chennai, India
- M Sc (Med. Phy) Anna University, Chennai, India.
- M.J.M.C
- D.M.M

Organisational
Skill

- Life Member of AMPI
- Life Member of AROI
- Life Member of CMAL
- Chairman of AMPI- Eastern Chapter (2017-2019)
- Chief Medical Physicist & Radiation Safety Officer DR RELA INSTITUTE AND MEDICAL CENTRE, Chennai, India.
- Specialized in HDR Brachytherapy with Co-60 and Ir-192 sources
- Specialized in QA & Dosimetry in Radiation Oncology Physics.

Experience

- 33 years of Medical Physicist & Bio – Medical Engineer, Includes 10 years experience in abroad
- Served in Medical Physics & Bio – Medical Engineering field for more than 32 years.
- Organized several National Conferences and workshops in Medical Physics.
